OUT WITH THE OLD... When the Box Tops program began 25 years ago, sending in clips was really the only way to run the program. Over the years, technology has advanced at a remarkable rate opening all kinds of new opportunities. Box Tops had a decision to make.... to stay in the past or find better ways to grow the program and **GOING DIGITAL** was their solution! They made this change for many reasons, but primarily to modernize the program for the next generation of participants and they believe that this new structure will allow Box Tops to attract more brands to participate in helping schools earn even more.

CLIP: Traditional Box Tops clips are being phased out of production, but you can still send unexpired clips to school. **Every valid Box Tops clip is worth 10¢.**

SCAN: If you see this label, **do not send it to school.** Use the Box Tops app to scan your store receipt within 14 days of purchase. The app will find participating products and instantly add Box Tops to your school's earnings online.

ARE YOU HAVING TROUBLE FORWARDING YOUR WALMART E-RECEIPTS?! Walmart just recently changed the format of their digital receipts so that only the first few items of your purchase are visible, and these items may or may not be your Box Tops qualifying products. For right now, the work-around is to follow this process to receive Box Tops earnings for Walmart.com online purchases with a digital receipt:

1. Take a screen shot (or multiple) of your entire receipt from your online purchase, including retailer name, all items, transaction total, and date of purchase.
2. Go to the Contact Us form and select the "Submit a Digital Receipt" option from the main drop down.
3. Fill out the inputs, using the "Upload Attachment" feature to add the screen shot(s) of your entire receipt.
